

# Feed-in Tariff Application Form

British Gas is a mandatory Feed-in Tariff licensee.

By completing this form I confirm I would like British Gas to be my Feed-in Tariff supplier.

## Personal Details of owner of generation equipment

Please ensure the generation address is registered with the Post Office. If the address has not been registered this may cause delays with the installation being added to the Ofgem Central FiT Register.

Full name/Company name: (One person/name only)	<input type="text"/>
Address:	<input type="text"/> <input type="text"/> <input type="text"/>
Postcode:	<input type="text"/>
Telephone numbers:	Home <input type="text"/> Mobile <input type="text"/>
Email address:	<input type="text"/>
Please select a password for your account:	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> (6–8 characters)
Commercial or Residential installation:	Commercial <input type="checkbox"/> Residential <input type="checkbox"/>
If Commercial please provide the VAT registration number:	<input type="text"/>
Have you received a grant:	Yes <input type="checkbox"/> No <input type="checkbox"/>
If Yes, please provide details:	<input type="text"/>
Did British Gas install your generating equipment:	Yes <input type="checkbox"/> No <input type="checkbox"/>
British Gas Customer:	Yes <input type="checkbox"/> No <input type="checkbox"/>
British Gas Account Number:	<input type="text"/>
British Gas Customer Reference Number:	<input type="text"/>

## Generator Address Details (if different from above)

If there is no postcode, enter the Ordnance Survey Grid Reference.

Address:	<input type="text"/> <input type="text"/> <input type="text"/>
Postcode:	<input type="text"/>

## Export Meter Details

If you do not have an Export Meter and your installation is lower than 30kW then you will receive deemed export payments from British Gas Feed-in Tariff unless you indicate 'no' in the details below. If your installation is larger than 30kW and you require export payments from British Gas Feed-in Tariff, you must have a compliant half hourly Export Meter installed and registered to British Gas.

Do you require export payments from British Gas? (Installations above 30kW)	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Do you have an export meter:	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Export Meter Serial Number:	<input type="text"/>	
Number of digits on meter: (5 or 6 before the decimal point)	<input type="text"/>	
Export Meter Reading: (On date application completed)	<input type="text"/>	
Manufacturer of meter (E.g. Elster/Landis&Gyr/GEC):	<input type="text"/>	

Signature:	<input type="text"/>
Date signed:	<input type="text"/> <input type="text"/> / <input type="text"/> <input type="text"/> / <input type="text"/> <input type="text"/>

## Getting it right

- Please check all sections of the application form are accurate and correctly completed and you have signed and dated the form
- The eligibility date for Feed-in Tariff payments will only commence from the date that we receive your accurate and correctly completed application and all relevant supporting documentation
- If you make a mistake on this form and/or if you do not enclose ALL the relevant supporting documentation this will affect your eligibility date
- Have you included the correct supporting documents:
  - Copy of your MCS Certificate/Number
  - Copy of your Final Paid Invoice (or proof of payment and ownership of the installation)
  - Copy of your Energy Performance Certificate† (EPC) (for Solar PV installations) or non-relevant building letter if EPC Certificate cannot be issued
  - A signed and dated multi site and energy efficiency Solar PV Declarations (new installations and extensions) Form

You can email these documents to us at [customer.service@contactus.britishgas.co.uk](mailto:customer.service@contactus.britishgas.co.uk) or post them to:  
British Gas (Applications), Feed-in Tariff Team, Unit 5, Nimbus Park, Porz Avenue, Houghton Regis, Dunstable LU5 5FR.

You can also call us on **0800 072 8283**.

† NOTE: If you have a Solar PV installation that is eligible for Feed-in Tariff payments, on or after 1st April 2012 the amount of Feed-in Tariff payments you will be entitled to receive will depend on the energy-efficiency rating of your property. Without this document you will still receive Feed-in Tariff payments but at a lower tariff.

If you choose to return the application to us via email or post, the application needs to be completed and returned on the date the installation was commissioned. If your application is received after your commissioning date you may be required to provide a further reading to be used to register your account. The fastest way to register is to send your application to [customer.service@contactus.britishgas.co.uk](mailto:customer.service@contactus.britishgas.co.uk)

\* Calls are free from a BT Calling Plan. Mobile and other providers' charges may vary. Lines are open from 8am-8pm Monday to Friday, and 8am-2pm Saturdays. If you are hard of hearing or speech impaired and use a textphone, please call 18001 0800 072 8626.

The below 3 statements only apply to customers that have received Grants:

1. You are unlikely to get grants and FIT totalling €200,000 within 3 years.
2. The total value of public financial assistance you have received in relation to any economic activities – this relates to any grants received from a public body and is not limited to grants received for the installation – has not exceeded the de minimis aid levels of support, and the combination of the grants you have received and the maximum expected FITs payments (export and generation tariffs) will similarly not exceed the de minimis levels of support.
3. You confirm that you will notify Ofgem or your FITs licensee (i.e. British Gas) immediately if the de minimis levels of support are exceeded or if you think they are likely to be exceeded. Please see the terms and conditions for more details.
